

# Web Tutorial: Search Options

## 1 Using the Search Bar

To search using the **Search** bar, enter any of the following below:

- Item Name
- Item Code
- Manufacturer Part Number
- Manufacturer Name
- Product Category
- Keyword

## 2 Search Purchase History

- To search **Within Items Purchased**, check the box
- To search the full Henry Schein medical catalog, uncheck the box

## 3 Using Refine Results

- To use **Refine Results**, type in a keyword, click **Refine** or use attributes provided
- To search for more **Items Per Page**, click Items Per Page and choose 25, 100, 250

**Note:** This feature allows for filtering searches by specific product attributes such as, size, color, manufacturer, etc.

The screenshot shows the Henry Schein Medical website search results for 'Bandages'. The search bar contains 'Bandages' and the 'Within Items Purchased' checkbox is checked. The search results are displayed in a table with columns for product name, price, and quantity. A yellow box highlights the 'Items Per Page' dropdown menu at the bottom right, which is set to 20.
