

# Reliable Testing for Your Practice with Pathology Services

Physician-owned laboratory providing comprehensive pathology services by board-certified and fellowship-trained physicians

## About Women's Health Laboratories

Central location near the FedEx world headquarters provides 48 hour turnaround time on the majority of results.

Diagnostic summary reports are available in your preferred format for a variety of quality measurements:

- Harness valuable data for your P4P discussions with health plans
- Compare your local data to our national statistics
- Discover diagnostic trends within your practice

Participating provider for all of the major US health plans.

“Flagged” reports to highlight malignant or other critical results

**In-house second opinion and expert consultation is just one example of commitment to quality, service, and innovation!**

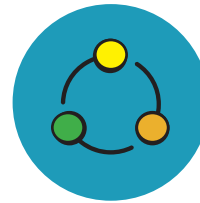

## Discover. Connect. Transform.

# How Women's Health Laboratories Services Your Practice

## Innovation in Testing

- One collection, multiple pathogens
- ThinPrep and SurePath cytology and molecular options
- Two High-risk HPV platforms available
  - HPV 16, 18/45 RNA genotyping and HPV 16,18 and 12 other pooled DNA genotyping
- Minimally invasive soft biopsy collection devices
- Electronic requisition software
- First laboratory to establish custom testing algorithms to coincide with the ASCCP guidelines for co-testing
  - 60 Gene Mutation Cystic Fibrosis Carrier Screening Test
  - Partner with Ariosa to provide the Harmony Non-Invasive Prenatal Test

## Solutions for Connectivity

Poplar Healthcare offers the broadest range of connectivity solutions in the laboratory industry. Whatever your requirements for requisition creation and report delivery, we deliver platforms that interface seamlessly with most leading EMRs.

## Laboratory Medicine Expertise

Our fellowship-trained and sub-specialized pathology team focuses exclusively on specific diseases and conditions, delivering the highest level of diagnostic excellence to clinicians and their patients.

## Compliance Assured

Poplar Healthcare is fully accredited by the College of American Pathologists, and licensed by CLIA, and the states of California, Florida, Maryland, New York, Pennsylvania and Rhode Island. In addition, we strictly adhere to all HIPAA regulations.

## Specialized Pathology Services
